Una ventana a Cuba y los Estudios cubanos A Window into Cuba and Cuban Studies

UC - Cuba
Academic Initiative

Ediciones Callejón

A project of the University of California-Cuba Academic Initiative, a consortium that brings together faculty and doctoral students from seven campuses of the University of California, this book emerged from a two-day conference which UC-CUBA sponsored in May 2008 that started a multi-sided dialogue about current Cuba research among participants from the United States, Mexico and Europe.
