

SoCal QCA Workshop

HOSTED BY THE UNIVERSITY OF CALIFORNIA, IRVINE

Organized by Charles Ragin and Peer Fiss

March 29-31, 2018

10am-4pm each day

The goal of this workshop is to provide a ground-up introduction to Qualitative Comparative Analysis (QCA) and fuzzy sets. Participants will get intensive instruction and hands-on experience with the fsQCA software package and on completion should be prepared to design and execute research projects using the set-theoretic approach.

Fee: **\$350** for faculty, **\$150** for students

Register at **www.fsqca.com**

Space is limited.
