

Graduate Specialization in Anthropologies of Medicine, Science, and Technology—completion form

Name:

Home department:

Requirement 1: Proseminar in MSTS

Year and quarter completed

Professor who taught the course

Requirement 2: Successful completion of 3 other graduate courses approved for the specialization, two of which must be offered by the Dept. of Anthropology. (If you have up to 2 additional courses that can count, list them in case another course does not qualify. The first row shows you how to fill out the table.)

| Course name | Course code | Course number | Quarter & year taken | Taught by |
|-----------------------------|--------------------|----------------------|---------------------------------|------------------|
| Ethnographies of Technology | Anthropology 253A | 60824 | Winter 2014 | Olson |
| | | | | |
| | | | | |
| | | | | |
| | | | | |
| | | | | |

Note: Once this form has been approved, you may list “Graduate Specialization in Anthropologies of Medicine, Science, and Technology” on your CV. As this is a specialization (not an emphasis or minor), it will not appear on your diploma or transcripts.
